Re: Harold Weisberg v. Department of Justice
Civil Action No. 75-1996

Dear Jim:

In compliance with the Court's request of January 3rd, we have submitted for in camera inspection copies of one hundred abstract cards with the documents to which they pertain. Enclosed here for your use are copies of those abstract cards with excisions. Although your client has previously been given the documents referenced by the abstracts, we have included another set for your reference. You will also note in our letter to the court (also enclosed), our intent to send you a Vaughn affidavit covering these items when it has been prepared.

Sincerely,

Bill Cole
